ANSMANN FL2000R

- Rechargeable work floodlight with 2000lm and 10W COB LED
- Extremely bright and versatile work light can also be used without mains outlet – mobile light, wherever it is needed
- Two brightness levels can be selected via on/off switch – optimum lighting for every application
- Chargeable via Micro-USB – can be charged with any standard USB chargers
- With USB output incl. USB cable – can be used as powerbank for smartphones, MP3 players etc.
- Aluminium housing with protective corner trim made from high-quality plastic – highly impact resistant
- Versatile use thanks to the sturdy 180° adjustable support, which can also be used as a carry handle
- LED rechargeable battery capacity indication – check the available capacity
- Integrated Li-ion rechargeable battery pack with safety electronics – protective function to prevent over-loading and deep-discharge
- Splash-proof (IP64) – can be used indoors and out

INFORMATION

Product name	FL2000R
Part No.	1600-0356
EAN-Code	4013674167210
Customs tariff number	85131000000
Material Group	88
Product content	FL2000R, micro-USB cable, operating instructions

Product	145 × 145 × 40 mm / 560 g
Packing + Product	165 × 152 × 50 mm / 657 g
Packing Unit	15 (515 × 270 × 182 mm)
