ANSMANN Powerline 4 Ultra

- INTELLIGENT rechargeable battery charger charges fully automatically and stops when the batteries inserted are fully charged. The maintenance charging holds the rechargeable batteries at 100% so that they can be left in the charge station, ready for use at all times.
- COMPATIBLE with up to four NiMH rechargeable batteries, sizes AA/HR6, AAA/HR03, C/HR14, D/HR20 or four Li-Ion rechargeable batteries, size 10340 to 32650 (e.g. including 18650 and 26650) | 2in1 rechargeable battery charger: Smartphones and powerbanks can be charged via USB
- FEATURES: Selectable charge program and charge current - for each individual charge bay. Charge display with rechargeable battery voltage (V), charge/discharge current (mA), capacity (mAh) and charge duration (h).
- SAFETY for rechargeable batteries and battery care station thanks to reverse polarity protection | automatic shutdown -dU | overload protection | individual bay monitoring | safety timer | detection of defective rechargeable battery cells
- CHARGE TIME (depending on selected charge current): For NiMH 1000mAh = ca. 0:40 - 2:30h | NiMH 2500mAh = ca. 1:30h - 6h | Li-Ion 1000mAh = 0:30 - 2h (Selectable output: 4× 500/1000mA, 3× 1500mA or 2× 2000mA | USB connection: 5V/1000mA). 3 years manufacturer's guarantee

INFORMATION

Product name	Powerline 4 Ultra
Part No.	1001-0080
EAN-Code	4013674144679
Customs tariff number	85044055900
Material Group	98
Product content	Powerline 4 Ultra, mains adapter, operating instructions:

Product	170 × 109,8 × 37,5 mm / 273 g
Packing + Product	214 × 179 × 54 mm / 581 g
Packing Unit	18 (555 × 230 × 340 mm)
